

# ★ Scooter Skills

## Level 3

This certificate is awarded to

\_\_\_\_\_

who attended Scooter Training  
at

\_\_\_\_\_

Date:

Transport for Buckinghamshire

\_\_\_\_\_

Instructor:

## When scooting, remember

- Pedestrians have priority on the pavement
- Always be polite and considerate
- Push your scooter or scoot at walking pace on crowded pavements
- The Highway Code tells us that the speed limit on pavements is 4mph
- Carry things in a rucksack, not balanced on the handlebars
- When crossing a driveway or a road, remember to ALWAYS look before you cross and remember that the person there first (car driver, cyclist, pedestrian etc) has priority
