## Walk the Seasons with WOW

The year-round walk to school challenge

Join everyday walking charity **Living Streets** in getting children excited about walking to school in 2018! This year's badge design competition kicks off in January and runs until 16th March 2018.

Every year over 100,000 children put pen to paper and design their very own WOW badge as part of one the UK's biggest art competitions. Of all the designs received, just 11 are turned into monthly badges; rewarding pupils around the country for travelling actively to school at least once per week.

**Walk the Seasons** will take pupils on a year-round journey through Autumn, Winter, Spring and Summer, bringing to life what pupils see across the year on their journey to school.

Alongside entry forms, Living Streets provides helpful guidance for entrants on the key seasonal moments across the year. From serene snowy scenes to a picturesque picnic on the beach, there are tonnes of potential ideas for your pupils to reflect on paper!

The creators of the 11 winning badges are awarded free resources for WOW, the year-round walk to school challenge for their school as well as the

prestigious accolade of their designs featuring on reward badges around the country.
