Dear 'Go for Gold' Winner

Congratulations on successfully collecting your stamps with the 'Go for Gold'scheme.

You have helped to keep your school gates safe and clear from traffic by walking, cycling, scooting, car sharing, travelling by bus or train.

This also helps to keep you fit and healthy.

Also, think of all the air pollution you have saved from our planet! You might not have realised but you have been learning about your local area too by making your journeys in this way. This in itself is an important life skill which will help you with your independence when you move on to your next school. Keep up the good work!!

As a reward you are entitled to a **free activity** from the venues listed below.

Please take your stamped Gold passport and this letter to the centre of your choice, and give the Receptionist your passport to get you a free activity! (Please see the centre's term and conditions)
